Dear 754 Parents,

Re: First Aid Certification

Your cadet has expressed an interest in participating in either the *Emergency* or *Standard First Aid* Certification Course. Cadets who are aged 13 years or younger on 31 Dec 2018 are eligible to take the ***Emergency First Aid*** Certification Course. Cadets who are aged 14 years or older on 31 Dec 2018 are eligible to take either the ***Emergency First Aid*** Certification Course or the ***Standard First Aid*** Certification Course.

Both Courses will be held at the Squadron, in Moody Elementary library, on/at the following dates and times: Thursdays, 6:30pm to 9:00pm, 18 Oct 2018 to 29 Nov 2018 (please check the Squadron calendar every week in case there is any change). Some cadets may already have their certification in previous years, or through the summer training, or through their schools. Please have them check the expiry date. They don't have to take the course if certification not yet expired or not close to expiry date.

To secure a spot in either course, please complete and return the attached registration form and tear off slip below by **Wednesday, October 10, 2018** with payment (cheque preferred).

Please note, through a group rate offered by Pacific First Aid Ltd. and a subsidy from the Squadron Sponsoring Committee, the *Emergency First Aid Certification Course* is being offered at \$50, including GST (regular price \$90 plus GST) and the *Standard First Aid Certification Course* is being offered at \$93, including GST (regular price \$135 plus GST).

It is uncertain if there will be a First Aid Competition this year. If there is a First Aid Competition, First Aid Team try outs will be announced in December or January.
